With no need for pass pictures or detailed pass holder information, these punch passes are a great idea for a family gift or for a snow sport loving student that still needs to focus on school work. These punch passes are transferable which allows your loved one to "treat" a friend to a ski day as well as receive a ticket for themselves. Give smiles; give a gift that shares.

**Punch passes may be purchased
in person at the ticket office or by
phone @ 801-745-3511**
